*Rand article from wiki

Any film may also have a sequel, which portrays events following those in the film. *Bride of Frankenstein* is an early example. When there are more films than one with the same characters, story arcs, or subject themes, these movies become a series, such as the James Bond series. And, existing outside a specific story timeline usually, does not exclude a film from being part of a series. A film that portrays events occurring earlier in a timeline with those in another film, but is released after that film, is sometimes called a prequel, an example being *Butch and Sundance: The Early Days*.

The opening March weekend saw a dramatically lower box office than the same weekend in 2019. The 2019 opening March weekend saw the release of *Captain Marvel*, which alone earned over US\$3 million domestically that weekend, compared to the 2020 weekends biggest film, *Onward*, with around US\$1.2 million.²¹²² The next weekend saw the lowest total US box office intake since the October 30–November 1, 1998 weekend, with lower percentage drops than the weekend after 9/11, at US\$1.3 million.³ *Onward* itself saw the biggest weekend-to-weekend drop of any Pixar film, making \$1.5 million, though was still the weekends biggest film and the only one to make over million.³ On March 19, Walt Disney Studios and Universal Pictures announced that they would no longer report box office figures.²³ Comscore therefore announced the next day that it would indefinitely suspend its reporting of box office estimates and charts.²⁴ On March 26, 2020, after local transmission of the virus had dropped to 0% in China, movie theaters there began to re-open, with reports that 250–500 theaters were opening, but the next day authorities again closed all movie theaters in the country.²⁵²⁶

On March 12, 2020, it was announced that the global release of *A Quiet Place Part II* would be delayed, based on widespread advice and policies against large gatherings and it was first rescheduled to September 4, 2020, in time for the Labor Day weekend, then to its new date of April 23, 2021 due to the continuous virus surging in the United States.⁹²⁹³ On the same day, the release of Indian film *Sooryavanshi*, which was initially scheduled to release

on March 24, was postponed indefinitely,⁹⁴ and the release of F9 was pushed to April 2, 2021.⁹⁶ Mulan's March 12 London premiere went ahead without a red carpet,⁹⁶ and on March 13, it was announced that the film was removed from the release calendar, but had been rescheduled for July 24, 2020, taking the release date of another Disney film *Jungle Cruise* and was further delayed by four weeks to August 21, 2020. With no further rescheduling options, *Mulan* was removed from the release calendar again.⁹⁷
